**Waiver to allow Dogs to share kennel space**

**I would like to have my dogs share the same space while boarding at Colonial Veterinary Hospital for non medical reasons. I understand that while my dogs may get along very well at home, sometimes in a different environment they may react differently and the doctors and staff at Colonial Veterinary Hospital may need to separate them if they feel it is in the best interest of my pets.**

**If they do need to be separated, I know that the boarding rate will increase to reflect individual boarding space instead of the discounted shared space rate.**

**Names of dogs that I would like in the same shared space:**
